ABOUT BIM GORAKHPUR

The Buddha Institute of (BIM) was set up by Peoples of Education Society (PES) in the year 2023. BIM is situated along Gorakhpur-Lucknow National Highway # 28 and at a distance of 12 Km from Gorakhpur railway station, and 18 Km from airport. Campus life is vibrant and full of enthusiasm. The caring nature of the students and staff and the culture of respecting the sentiments of one another promote the healthy growth of the students.

We believe in active learning system and participative teaching methodologies. With the class room teaching for imparting the theoretical/practical and conceptual knowledge, the group learning through different techniques is also encouraged to enhance various skills, abilities and efficiencies in the communication, leadership, logical analysis etc. among the students to make them capable of coping up with the challenges emerging out of the changing environment of the country.
