Nature and Extent of involvement of Faculty and students in academic affairs/ improvements			
Director, Deans, Head of Departments, and Faculty Members are continuously involved in evolving new strategies to improve the teaching learning process in order to groom students with ability to apply what they learn, believe in life-long learning and commit themselves to work in the best interest of society. Senior key persons are responsible for: • Ensuring over all discipline. • Maintaining a conducive learning environment. • Delegate powers to subordinates. • Nurture the young faculty. • Build a well-knit team. • Develop industry contacts.			
The institute has departmental societies/clubs which conduct & organize events and activities that are managed by the students. These societies/clubs lay the perfect platform for healthy interaction between student & faculty that results in idea cementing towards the Improvement of the Institute.			
Mechanism/Norms and Procedure for democratic/good Governance			
BIM is governed by the well-established policies of People Educational Society. Under this system, the Board of Governors establishes the policies. The BOG comprises of the management representatives, academicians of repute in the concerned field, noted scholars having institution building experience, and finally the representatives of the industry. The progress of the institute is reviewed regularly by convening the BOG meetings and directions given to correct the course of action in case of any deviations and provide guidance to the future plans. The institute has delegated the powers to HODs to manage the routine functions of their departments independently.			
Student feedback mechanism on Institutional staff/faculty performance		Online Student feedback mechanism has been a Regular practice. Feedback is taken twice in a semester.	
Grievance Redressal mechanism For faculty, staff, and students		BIM have Online Grievance Redressal mechanism For faculty, staff, and students through its ERP Portal.	
Establishment of Anti-Ragging Committee			
In compliance to the directions of Hon'ble Supreme Court of India & as per guidelines issued from time to time by All India Council for Technical Education, New Delhi and Dr. APJ Abdul Kalam Technical University, U.P., Lucknow regarding prevention of Ragging, an Anti-Ragging Committee for this institute, consisting of the following members, has been constituted for the Academic Year 2024-25:

GAMES AND SPORTS FACILITIES		
In BIM, students are being motivated to take part in various indoor and outdoor sports activities. Various competitions are being held at department and college level. Basket ball, Volleyball, Cricket, Chess, Table tennis, and Badminton are favorite games of our students. Our students represent BIM on numerous platforms in various sports activities and win various positions.		

EXTRA-CURRICULAR ACTIVITIES

BIM encourages its students to become actively involved in club activities. The involvement of students in these activities can help them in gaining experience in technology, teamwork, leadership, organization, and so on. The clubs provide an opportunity to the students to apply classroom teaching to the outside world. The clubs organize competitions, events, activities, and offer excellent networking opportunities with fellow students. Following are the names of clubs:

1	Pinnacle	To promote team work and problem solving skills.
2	Fusion	To promote networking, professional development and problem solving skills.
3	Podex	To prepare students for higher studies like MCA and for network industries etc.

Co-Curricular Activities

WAVES-Continuing with the tradition of the institute, senior students, and new comers mingle with each other at fresher function 'WAVES'. This is the platform where students can showcase their talent of dance, singing, instruments, anchoring, acting, and fashion.

IGNITIA -In order to groom personality of students, BIM gives them enough room to grow intellectually, technically & culturally. During this Fest, various competition shield like moves & rhythms, fashion walk, fine arts, Nukkad Natak, debate, Rjhunt, etc. are organized.

Various technical competitions are held during Ignitia.

Tech Expo-Tech Expo is the technical exhibition where the students present their live projects.

For management students, numerous activities on development of entrepreneurial management skills, i.e., Business communication, Personal & Group Dynamics, Team building and problem solving etc. are organized.
